

HP Retail LCD Pole Display

Give customers a clear view of their transactions and share dynamic content at the point-of-sale with the HP LCD Pole Display, a pole mounted 7-inch diagonal LCD display that integrates easily into your retail solution and adds video content and colorful graphics for an engaging customer experience.

Retail System

Easily integrate the pole-mounted display into your POS solution and position as needed with adjustable height and swiveling of the display head. A USB connector powers the display and eliminates the need for additional cabling.

Place the durable display in a range of high-traffic areas. The edge-to-edge, bezel-less design is easy to clean, helps provide protection from dust, and creates a sleek, modern appearance.
